

WALKER ENGINEERING

Meeting Your Development Needs

Walker Engineering, LLC is a privately held **civil engineering** consulting firm operating as a DBE and located in Las Vegas, Nevada. With over 20 years of combined engineering and agency experience, Walker Engineering has earned an impeccable reputation of delivering thorough, efficient, and cost-effective services. The cumulative experience and professional capacity of Walker Engineering is exhibited by the following services we provide:

Our Las Vegas Office is Proud to Include Two (2) Nevada Registered Professional Engineers (PE's) on our Staff to Serve You.

- Boundary Surveys
- Existing Topography
- ALTA Surveys
- Drainage Studies
- Traffic Studies
- Hydraulic Network Analysis
- Tentative Maps
- Encumbrance Maps
- Entitlements
- Due Diligence
- Civil Improvement Plans
- Final Maps
- Parcel Maps
- Record of Surveys
- Legal Descriptions
- And much more...

HAVING AN IN-DEPTH UNDERSTANDING OF YOUR NEEDS IS A FUNDAMENTAL PROCESS TO THE WAY WE WORK WITH YOU.

Walker Engineering is well acquainted with the process of getting a project approved in a timely, efficient, and accurate fashion.

WE Promise to Serve You With

*Integrity
Experience
Responsiveness*

Walker Engineering understands the importance of coordination with the Owner and project Architect and prides itself in maintaining good communication on all projects from the day we start the project until the day the project is fully constructed and all Certificates of Occupancy obtained.

Walker Engineering understands how important it is to always be available for questions, especially during the construction of the project, and work very well within the project team for the common goal of creating a successful project for the Owner.

Walker Engineering was honored with the 2008 In Business Nevada Entrepreneur of the Year Award.
